

SWIMMING LESSONS 2019

The week has been a very exciting, tiring and fun filled time here at Lake Wangary. The Foundation to Year 5 students have been participating in swimming lessons at the Port Lincoln Leisure Centre. They have been learning how to save themselves from drowning using everyday beach items like eskies, beach balls and buckets. They have also been learning how to save others by using pool noodles. Children have enjoyed using the torpedo move to swim through hoops and to swim short distances. Learning to swim on their back has also been a very popular move especially with the Foundation/ Year 1 class.

Message from the Principal:

Dear Parents and Caregivers,

Hope you are all travelling well and are managing to keep up with the constant permission skips coming your way. We apologise for so many, but we have lots happening in the last 3 weeks and we need to keep a paper trail for legal reasons. Hopefully only one or two more. Thanks for your support. Please make sure you make note of all the 'Dates to Remember' as there are many.

We are currently in the middle of swimming lessons this week. Students are learning survival strokes to stay safe in the water. It has been great seeing parents come along to watch.

Last week was quite different for everyone. Thank you for your patience and understanding around our school closure for the catastrophic day. The weather people got it right! The Department for Education stipulates that when a catastrophic day is predicted, we can only tell families after 4:30pm, as this when schools are officially notified. I appreciate that families want the information earlier to help your planning, but I have to follow policy. Thank you for your understanding. I hope you all received the information provided by the school as to what you can do for your family after significant events like these. Please contact the school if you would like a copy.

Last week the middle primary class went on an excursion to the Port Lincoln Library and The Recycle Centre. This was great to have children follow up on the recycle challenge they had. Students were able to witness how they separate and recycle. Well done Mrs Morgan on another great educational excursion.

Today the preschool is undergoing an external review. This is a major assessment of our site and I would like to thank Skye and Nell for their amazing work in preparation for today. We would like to welcome Sally Nicholls to our site and hope she has a good day.

Our Wellbeing Colour Fun Run is on Thursday next week. We will be arriving around 9:45am. If you want to be part of throwing colour at students please be there at this time. We will be throwing colour at students prior to the run on the lawns near the BBQ area. We are trying to minimise any impact on the natural and man made environments. Students will then complete the run and then possibly get another serve of colour. After the run the activities begin. Lunch will be at 1:15pm. The program is on next page. Hope to see you all there.

As some of you may be aware next year we are running a support program for children who turn 4 after May the 1st. We have low numbers for the preschool next year and thanks to a lot of persistence and support from Rowena Fox and Sally Cormack, the preschool will remain open in 2020. We have currently 8 students for our support program which is fantastic. If you are 1 of the eight families could you please get your enrolment pack to us as soon as possible. Thank you to those who already have. If you know of anyone who would be eligible for preschool or the support program please let the school know as I would love to meet them and showcase what we are doing. We have an open day next week so please come along for a look.

Next week the school is running an 'Advertorial' in the Port Lincoln Times. We have an article on Tuesday and a double page spread on Thursday. So please check it out.

Two very busy weeks ahead. Lots of learning, challenges and fun still to come.

Regards,
Wade Branford

Dates to Remember:

Playgroup

Every Friday
10am-12pm

TERM 4

Week 7

Monday- Friday

Swimming

Friday 19th

Yr 7 PLHS transition

Week 8

Monday 2nd Dec
November Cricket
game and BBQ

1:00pm

Tues-Wed 3rd/4th

UP Gymnastics

Thursday 5th Dec

Well Being Colour
Fun Run Coffin Bay

10am-2:45pm

Foreshore

Friday 6th Dec

Little Mermaid F-7
PLHS

Week 9

Monday 9th Dec

National Parks Trip
Coffin Bay F-7

Tuesday 10th Dec

2:00pm Year 7

Graduation

Wed 11th Dec

Tree Planting

Thursday 12th Dec

3:10pm

MOVEMBER CRICKET GAME Monday 2nd November 1:00pm

On Monday the 2nd of December we are having a cricket games for parents. Mr Rowe and Mr Branford having been growing moustaches to raise money for the Movember Foundation. To end the month we have a cricket game between parents, staff and students. We kick off at 1:00 with a BBQ then we are straight into a game. Rules will be explained on the day. We ask for a gold coin donation for the BBQ as it all goes to a good cause.
HOPE TO SEE YOU ALL HERE!

From the Pastoral Care Worker
Glenys Sauturaga

Quandong Jam For Sale

Our jam is available for purchase at the front office. Made from quandong fruit picked along our school bush tucker trail, many students have been involved in harvesting, preparing and making the jam, and labelling ready to sell. We turned 8.5kg of prepared fruit into jam! Thanks to volunteers Kerry and Jan for assisting and supervising.

You might wish to purchase some as a Christmas gift or just to enjoy the sweet, local taste on some home made scones or pancakes these holidays. Proceeds will go to SRC.

During the activities the school will have fruit for children to eat. Colour dye will be thrown only on lawn area. All students do each activity in rotation. For further information contact the school or see the excursion note.

If your child is getting off at a different bus stop or is not on the bus please either write a note in their diary or ring the school to let us know.

REMINDER - No IPADs, IPODs, Tablets or Phones

MTC DANCE

On the third of November, Kyuss and I participated in an MTC Dance concert. I think that MTC is a good way to start your dancing journey. All the teachers and assistants did an awesome job choosing our choreograph. Kyuss and I even got a duet it was amazing, we started off hanging out together and now we have made heaps of friends. I am still a little bit frustrated because I couldn't do the Saturday night show due to my fractured foot. All the older kid are nice and they help out a lot, our teacher was a high school graduate and he made learning dance fun and easy. The classes have several grades - rep to year two, three to year five and year six to seven.

Over all I think that if anyone has any free time try MTC Dance.

It's awesome!
