## Upper Primary Class

The Upper Primary Class have had a great start to the year. We have been creating potential logos and posters for our Dutton Bay learning days. The days will involve learning about the sea, the shore, the land forms, the history and the different groups of people who have used Dutton Bay.

Our designs had to incorporate these ideas. What do you think? We have also been trying to come up with a name for our special program...and the winner is... **MINYA CUSTODIANS**. We cannot wait to share our learning with you!

Dear Parents and Caregivers,  
I hope you are all well and have settled back into school life. I would like to say a huge thank you to those who came to the acquaintance night on Tuesday. It was a great gathering and it was good to see new and old families at the school. Thank you to all everyone who has signed up for the Governing Council. Our 2020 committee is:

Chairperson - Therese Hutchens, Secretary - Sonia Mittelstadt, Treasurer - Sarah Fealy. The other committee members are Janis Ellul, Emma Fahey, Nicky Butler, Kelly Bates, Skye Bradford, Brooke Slater, Jane Cross, Kim de Ron, Amy Thorsen and Renee Lawrence. A big group this year and I am sure we are going to do great things together.

Today there will be lots of notes going home. The Minya Custodians Program excursion note will be coming home. Please fill out and return to school. Also we have a new departmental policy on throwing projectiles (javelin, shot put). Could you please fill this out and return to school. Sorry for the extra paper work, we will make the projectile note part of the enrolment process next year.

It has been great to see all the Support Program students in the preschool. They are having a great time and learning great socialisation skills. Thank you for your ongoing support.

The preschool was externally reviewed last year and the results are in. We were exceeding in 3 areas and meeting in 4. If we had have got 1 more exceeding rating our overall rating would have been exceeding. I think we did an amazing job even without power for the whole day. Didn't get us any bonus point though! It is a credit to Skye and Nell and the amount of planning, documentation and reflection they are constantly doing in the preschool. I believe we run a first rate facility and it is great to have children waiting to join our preschool next year. Thanks for your support.

A quick congratulations to Janis and Jordan Ellul on their new arrival. A beautiful baby boy. Another student for Wangary! Yeeha!

Next week as you are aware we a starting our Minya Custodian Program. Please let the school know if you are coming along to support for the day as we would like to use you in the best way possible to promote high levels of learning.

A reminder that school fees are due. Please contact Jess Wedd in the office for any and all information.

I would like to welcome back all our mentors for 2020. They have done amazing work in 2019 and I am sure they will continue to support our children. If you are interested in becoming a mentor please contact the school and we can help you become a mentor for students at Wangary.

I would like to remind parents and caregivers to please do not allow students to bring electronic devices on the bus.

I am very excited about 2020 as I believe this is going to be bigger than last year especially with the new programs we have at school.

Take care everyone and come and see me anytime for a chat.

Regards,  
Wade Branford

The Premier's Reading Challenge has already begun for 2020! The challenge is a literacy engagement program that encourages students to read more books and improve their literacy levels.

The challenge requires all students to read 12 books between week 1 of term 1 until the end of September. All class levels are participating. Students are required to locate suitable books and teachers will record the details on the students Reading Record Sheet and this will be submitted by the end of September.

Happy reading!
