

PRESCHOOL CLASS

Some of our learning goals in Preschool this term have been to explore and recognise patterns, practice subitising, develop our use of Tier 2 words and celebrate the Aboriginal Culture. Through a simple wander around Wangary we were able to transfer and consolidate our learning and knowledge from the preschool context to our local community.

Japhy noticed a pattern on the poles 'Look it's a pattern it goes red, white, red, white' and measured the branches of a tree..

A Wander around Wangary...

We need a digging stick like the Aboriginal people used. We found bush tucker...

Vinny recognised the numerals on the bus... 1 6 6 8

'We are going North. North back to kindy. It's a N for North.'
Vinny

Amyra was looking for Kangaroos. We found a church and a lake . We saw long, spikey leaves, we heard a rooster crow and smelt smoke from a fire, we felt the drizzle of rain.

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers,

We have hit week 7 already and the term is flying by. Hope you all had a great and relaxing long weekend. We were treated to some awesome weather.

It is great to have some more normality return to schools. As restrictions start easing we will be allowed to have more visitors. Last week we had the LET team here doing observations, we also had other coaches here supporting staff. I am very hopeful that by the end of the term we will have an assembly we can invite families to.

Last week we had our foody fundraiser. We had lots of orders which kept the SRC team very busy. Huge thank you to Tracey for organising this event, it was very successful. We hope to have another one before the end of the term.

This week we are busy doing Running Records. We are releasing staff this week to get these done. Rachel Plakakis will be providing release for staff and has been supporting our school as a TRT this year. This is her last week before she heads off on holiday. Thanks for your great work. We hope you enjoy your last 2 days here and have a great holiday. See you when you return.

Reports and portfolios will be going out this term in week 10. Please have a close look at all information.

Thank you to all Governing Council members who came last week for our meeting. We had some great discussions and we are looking forward to having a social event for families some time in term 3 or 4.

Nell returns next week and we look forward to her return.

Next week will see the return of the Minya Custodians Program. Students have been eagerly awaiting our next trip and we are so happy rules have eased. We can't invite parents along at this stage, but we will keep you posted.

We have had some minor incidents at bus stops. I have researched parent and school responsibilities and provided a detailed statement within the newsletter. Please read carefully.

Next week on Monday Brooke Slater and I will be attending WRAP training. This is a very effective program that develops students understanding of spelling. Mrs Morgan and Mr Rowe already teach this program effectively and we would like to train some more staff in this area. Thanks Kirton Point Primary School for putting on this training.

TUPPERWARE AND JUMPERS!!

These items are becoming very frustrating. We have around 20 jumpers students haven't claimed. I have at least 7 Tupperware containers which I have repurposed now due to being here for so long. Tupperware and jumpers are expensive and I have reiterated this to children. Can you please make sure these items are clearly labelled.

Regards,

Wade Branford
Principal

LOST PROPERTY

We cannot stress enough the importance of labelling all school uniform items. There is a mountain of jumpers some brand new. Items not collected will be given to other students needing them and at the end of term given to good will.

From the Pastoral Care Worker Tracey Miller

Well done to the SRC who hosted a fun, Successful Foody Fundraiser last Thursday.

Thank you to Sophie, Ocea and Tadhg who assisted with the preparation and service.

SCHOOL BUS SAFETY

When Bus Lights are flashing and they have stopped for children, drivers **MUST** slow down to 25km.

The 25km speed limit applies when passing a school bus with flashing lights stopping for children on any road.

It is everyone's responsibility to ensure children make it to school and home safely.

Information regarding student supervision for bus students will be sent home soon.

World Environment Day 2020 It's Time for Nature #ForNature

Greenly Beach Family Day

An initiative of Lake Wangary School and Lower Eyre Coastcare

Sunday June 28th 10am - 4.00pm

This World Environment Day, It's Time for Nature

Lake Wangary School and Lower Eyre Coastcare volunteers and have been working together for 6 years growing seedlings and planting at Greenly Beach. This will be the 4th year of the Greenly Family Day. We have over 1000 plants grown by LWS to get planted and we need you there to help us achieve this and have a great day out as part of the Lake Wangary School Community. We invite you to get outdoors and into nature and plant a tree or two or even three. Dress appropriately for the weather and BYO gloves.

As we need to follow the Covid-19 safe guidelines and to help manage numbers you can register for the event by:

- Contact the school – 86854137 or email Danielle.morgan134@schools.sa.edu.au
- Contact Kerryn from Coastcare on 0498 387961
- Book online at <http://eventbrite.com.au/e/108950828862>

This year we thank Calypso Star Shark Cage Diving for financial support to purchase our growing materials and ongoing support from Natural Resources EP.
