REMEMBRANCE DAY

In the Junior Primary Class we have been learning about Remembrance Day and the significance of the poppy. We have learnt that the poppy grows in Flanders Field. We used crepe paper to make pictures of poppies to display in the library.

In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

Dear Parents and Caregivers,
End of week 5 already! Very busy times at school with lots coming up. Today the year 6 and 7 students are heading to Centenary Oval for a touch football carnival. We wish them all the best and look forward to hearing how the day went. Thank you to Sandi Karena for volunteering to umpire.

Tomorrow the foundation to year 4 students will be heading to Cummins Area School to attend the Peter Combe performance. This should be a great day where children can hear all the classics. The upper primary class did a performance this year to the song 'Brush Your Teeth With Bubblegum'. Please make sure student consent forms have been returned.

Next Thursday we have our school assembly at 2:30pm. The lower primary class will be running the assembly, hope to see you there.

After much deliberation and investigation around the end of year performance it is with great disappointment that I inform you that the end of year concert will not occur due to Covid restrictions. We will however, still do our performance at school and film it. We will then investigate if we can upload the film through See-saw or put on a USB for families to have. We will be doing the performance on Friday the 4th of December. Students will come to school dressed in their costumes and we hope to perform between recess and lunch. This is a very different year to normal, next year we should be back to normal. Thank you for your understanding here.

There will be no changes to teaching staff for next year. Our SSOs will remain the same in some areas. Nell will be in the preschool and Sam will be the junior primary support staff person for 2021. We will have a new finance officer for next year as Kelsey has accepted a fulltime position at Port Lincoln Junior Primary. Kelsey has slotted into the role here at Wangary easily and has been a great help. We wish her all the best.

The support program will not be running next year due to high numbers in the preschool. We have 10 enrolled for next year, so due to capacity restrictions we will not be able to offer this service. I would like to thank all families that have supported this program and hope that you and your children enjoyed this experience. If our numbers remain steady or drop we could possibly investigate offering this service again. On that same note, we would love the Friday playgroup to start up again next year as it has not really happened this year. We have playgroup on Fridays from 10-12. All are welcome and this is still an option this year.

We have some big events coming up in week 7. On Thursday the 26th of November we have our Movember cricket game. This was great last year and we hope to see lots of people supporting this day. We hope that you are growing, grooming and maintaining your moustaches for the day. We will be providing a sausage sizzle with gold coin donations plus some cake. Should be another great day and we hope to see you all there.

On Friday the 27th of November, year 7s will be having their celebration night. We intend to do some laser tag and bubble soccer in at Coffin Bay and then go to the Coffin Bay hotel for a meal together. We are still finalising details, stay tuned for more information.

Thank you to Tracey for organising the Life Matters performance, the students really enjoyed and it was good to see a performance finally this year. Tracey will also remain in her role as Pastoral Care Worker in 2021 which we are all very stoked about. We are loving your work Tracey!

We have four weeks to and many events are happening. Let's make it great and finish the year off in style.

Regards,

Wade Branford

Pastoral Care Corner With Tracey Miller

Caitlin and Tyla from Life Matters shared a interactive Christmas performance 'PEACE' with songs, videos, dance and games.

All students received a craft activity ornament that can be used to decorate your Christmas tree at home. It's a great reminder of the Christmas story - peace in chaos + hope in uncertainty.
