COFFIN BAY

Dear Parents and Caregivers,

Well we have reached the end of another year. A year I might add that has been full of change, mystery, confusion and comradery. Lots of unknowns this year and times of waiting to hear. However, as a community and state, I feel we have responded and acted diligently working towards a common goal. For that we thank you.

Enough about the struggles, let's talk about the amazing things that have happened. Recently we had our preschool graduation. This was a lovely session with a small crowd. It was great to see children in their graduation outfits and hear about the year that was. Thank you to all families and students that supported these children and the graduation. I wish Japhy, Malia and Nazza all the best next year on their new journey in the big school. We know you will succeed.

On Tuesday afternoon we held the year 7 graduation. This was a great event that also got a little emotional. I was very proud of the way students spoke and reflected upon their time at Lake Wangary. We have had a very special group of year 7s this year that did many amazing things across the school. For that we thank you and wish you every success in the future.

We were fortunate to have Peter Treloar (MP) attend our graduation to present his award. This year the Peter Treloar Award went to Sophie Jamieson. Sophie has had an amazing year/time at Lake Wangary. Her academics and attitude are amazing. Well done. This year's Jack Dunbar Award went to Roly Hawkes. Roly has made huge improvements in his learning this year and is always a kind, positive contributor to the school community. Congratulations.

Last week the school performance occurred with great success. A huge thank you to Bu Ling for her tireless work in organising, creating scripts and props. Thank you to all staff for supporting the production. All families will receive a USB with the performance. If your device doesn't work, please return and we will replace. Next year I am looking forward to a normal end of year performance.

School Photos have arrived today, after spending a week moving around the EP! These should be home with you tonight. Thank you for your patience.

This term we have had a new staff member come to the school. Kate Marner has been working in the junior primary class this term and has already made good relationships with students and is a great team member. Thank you for your great work this year and we look forward to hopefully seeing you again at the school.

Kelsey Enright has been our new finance officer for the past 2 terms. Kelsey came in with lots to learn and do and she excelled. Kelsey was a massive support in the office and ensured the school was running like clockwork. We thank you for your amazing work and we wish you all the best in your new position in the Junior Primary School.

Hayleigh Tassone (nee Stenson), an ex-student will now take on the role of finance officer replacing Kelsey. Hayleigh has already begun transitioning into the role and is already showing she is a valued team member. We would like to welcome Hayleigh to the Lake Wangary School Community and wish her all the best.

Yesterday we had our Well-being Colour Fun Run. It was a great event which children really got into. We had a couple of water balloon wars and the children then ran the course getting coloured. Great day guys and good way to finish off the term. We hope you enjoyed yourselves and we are looking forward to having it at Coffin Bay next year.

I would like to finish by again saying thank you to you all. Your patience and support this year has been truly valued. We are looking forward to a smoother one next year. I wish you all a safe and relaxing holiday period and hope that we have some great weather. Take care everyone.

Regards,

Wade Branford

STAFFING FOR 2021

Teaching

Principal - Wade Branford

Upper Primary Class

Luke Rowe & Brooke Slater (Fridays)

A MESSAGE FROM PRESCHOOL...

Congratulations to Japhy Rowe, Malia Leslie and Nazza Butler who have graduated from Preschool this year. All three children are motivated, curious and enthusiastic learners and have been an absolute pleasure to teach. We wish them all the very best next year.

Our Preschool journey this year has been driven by a play and inquiry based approach to learning and our Minya Custodian visits to discover and build on our understanding and knowledge about living things. We have warmly welcomed the children from the Support Program this year and we are very grateful for their contribution. The year has been slightly different given our low numbers and we are so lucky that Wade was able to keep our Preschool open with the Support Program initiative.

The Support Program children have shown amazing growth in their ability to look after themselves and others, play and learn collaboratively and have begun showing interest in writing and numbers. We look forward to spending time with them next year at Preschool.

Caitlyn Smith, Skye Bradford (Teacher), Harper Mittlestadt, Billie Carr, Cunas Fealy, Malia Leslie, Japhy Rowe, George Butler, Nazza Butler, Reef Johnson, Maebh Fealy, Nell Mc Rostie (SSO), Faith Wilkinson
