

Lake Wangary School Newsletter

Term 1 Week 5 – 24th February 2021

JUNIOR
PRIMARY
CLASS

In the Junior Primary Class we have been learning about mixing and blending colours in Art. We have been learning about primary colours and mixing colours together to make a new colour. Here we are doing an activity with food colouring and water on paper towel to watch what happens when the colours blend together.

Dear Parents and Caregivers,

I hope you are all well and enjoying the last week of summer. Week 5 already and the pace is beginning to quicken. Lots of events coming up so keep checking diaries and communication books for updates. This week the year 6 and 7s are heading to Tumby Bay to take part in a basketball carnival. We wish them all the best and hope they do the school proud.

Next week we have our first Minya Custodians excursion. We will be heading to Greenly Beach to do some clean up, flora and fauna study, identify areas that protection/support from human impact and survey campers. Our goal is to help protect and maintain this area. We have invited the Port Lincoln Times to attend and provide some media coverage. We are hopeful that our findings and further contacts with the Lower Eyre Peninsula Council will see improvements in the area and the possibility that we are a part of this redevelopment. Parents and Caregivers are allowed to join us on the day, although there is no room on the bus at this stage. Should be a powerful day.

Whilst on the topic of Minya Custodians, I would like to thank 'The Friends of Coffins Bay' who have unfortunately disbanded, but have kindly made a donation to our school to help run our Minya Custodians Program. Graham Baker approached me regarding the provision of funds and after I explained our unique program, he was very satisfied that the money is going to a good cause. Thank you again Graham and the Coffins Team.

In week 7 we have 3 things happening. First the long weekend Monday holiday, followed by a Student Free Day on the Tuesday. On the Thursday and Friday the Upper Primary class is heading to Coffin Bay for Aquatics.

In week 8 and 9 we have parent, student and teacher interviews, please fill out and return the note that was sent out this week at the earliest opportunity.

This week we are sending out raffle tickets to raise money for a local family with medical needs. The fundraiser has been driven by Michelle Sherry and would like to say a huge thank you for her efforts. Tickets are for sale for \$2 each and there are 7 prizes. The major prize of 2 nights accommodation at Coffin Bay Caravan Park. We will be drawing the prizes on Sunday the 4th of April at the BAMB event in Coffin Bay. Thanks for your support.

Thanks to all families for their communications to school. If you need support with Seesaw please let us know. Please keep your child at home if they are unwell.

Regards,
Wade Branford

Leadership Effort Achieve Respect Nurture

Friday 1st April 2021

MRC&SC Oval

Events will start at 9.00am
The Canteen will be open all day

Team Colours:

RED - FIRE FISH

BLUE - BLUE RAYS

YELLOW - TIGER SHARKS

More information regarding the day will be sent home soon.

VISITORS TO THE SCHOOL

Our school and preschool have been provided with a QR code. All adults, including staff and parents, are expected to COVID SAFE Check-In when entering classrooms/buildings on site. Please do not enter school grounds if you are feeling unwell.

FUNDRAISING

We have two fundraisers so far for this year. We have a Raffle consisting of 7 great prizes, \$2.00 each being drawn at the BAMB markets at Coffin Bay on Easter Sunday. We would appreciate it if each family could please sell a book of 10 tickets.

All proceeds are for the Starke Family.
Raffle Books will come home this week.

We also have 100 boxes of chocolates - Easter Eggs, Frogs & Bars to raise future funds for this year's school camps.

Please contact the school if you'd like to help sell a few boxes.

BREAKFAST PROGRAM ROSTER-TERM 1

Thank you to our volunteers for helping with our breakfast program.

PRESCHOOL NEWS

The Preschool would like to sincerely thank Mitre 10 for their donation of a big shelf for our shed and Bunnings for one medium shelf for storage in the shed, a smaller shelf we put outside for the children to independently access STEM resources and six storage containers. They have significantly increased our storage capacity and contributed to providing appropriate resources in our outdoor program.
