Dear Parents and Caregivers,  
Hope you are all well. We are off and running in 2021! Students are already engrossed in learning and we have already completed our Bright Path Narrative samples ready for moderation. We are committed to using the Bright Path resource and staff have recently completed training in Information Report Writing. Students will be writing reports in term 3 for assessment. However, students will be practicing throughout the year especially in Mlnya Custodians.

The school has recently appointed a new Aboriginal Education teacher. We have received funding for this and we would like to congratulate Brooke Slater on winning the position. Aboriginal Cultural Studies will occur on Wednesdays with the support of Danielle Hirschausen. We are excited to have this new program occurring. Brooke will also work in classes to support learning on Wednesdays.

Thank you to everyone who attended the Acquaintance night. It was a great evening and I hope the information on Seesaw and supportive reading strategies was/is helpful. If you did not attend, I have sent out the reading strategies sheet to families who were not there. If you do not receive one, please contact the school and I will send you one. If you would like to view the Seesaw demonstration I can email this to you as well. As promised all students should have their QR codes stuck in their diaries or communication books.

At our staff meeting we had Kerryn McEwan attend and discuss 'Stobie Pole Art'. We are very keen to make this happen. It will take much preparation and we are looking to connect with some local artists to support the designs. We will be doing some in Wangary and Coffins Bay. Stay tuned for more information. If you are interested in supporting or know of an artist please let us know.

Thank you to those who have volunteered to do the breakfast program. I am looking for someone on the 16/3 and 6/4. Please let me know if you can help on any of these days. Roster will be put out shortly.

We had intended on doing a Minya Custodian trip next week, however we have Hockey SA coming on that day so we will begin Minya Custodians in week 6.

It's been great watching the new foundation students settle in. They are trying hard and showing great resilience. Keep up the great attitude to school guys!

We have many things coming up so stay tuned. Seesaw will be used as a means of communication for school events as well as student work. Please get the app, sign up and ask us for help if you need.

A reminder that we are still collecting bread tags and plastic bottle caps. Keep them coming in.

A huge thank you to our new Governing Council team. Congratulations to Sarah Fealy who is our Chairperson, Sonia Mittelstadt who will continue as Secretary and Emma Fahey our new treasurer. We will be meeting on Tuesday the 16th of February at 6pm.

Looking forward to a busy and fun term.

Regards,

Wade Branford

## PREMIER'S READING Challenge

The Premier's Reading Challenge has already begun for 2021! The challenge is a literacy engagement program that encourages students to read more books and improve their literacy levels. The challenge requires all students to read 12 books between week 1 of term 1 until the end of September. All class levels are participating. Students are required to locate suitable books and teachers will record the details on the students Reading Record Sheet and this will be submitted by the end of September.

Happy reading!
