

Term 1 Week 9 – March 2021

Our Butterfly Garden

This Term the Preschool Children have been busily working together to design a Butterfly Garden. First we did some research on the different butterflies in our area, we drew pictures of them, made some artwork and looked for butterflies in our garden. Then we looked at a plan that Nell drew and gave her our ideas. We had fun moving the dirt and planting some pretty flowers.

Thanks Michelle for all your help and kind donations.

Our Butterfly Garden is getting started.....

Dear Parents and Caregivers,

Hope you are all well. Week 9 already! The term is not slowing down and we have much going on. Minya Custodians last week was amazing. Thanks to Dr. Scott Cane, Jodie Miller and Kerryn McEwan for their presentations, information and for answering children's many questions. It was a great day with lots of authentic learning. The Nauo element of the day was eye opening and students learnt many facts such as 'the Aboriginal People were among the first cultures to cremate'. We can't wait to have our guest speakers back. We are already starting to plan Reconciliation Week and how we can involve these people. Thanks again. Please keep an eye on the Port Lincoln Times we are hoping to have an article in this week or next.

Food Fundraiser Thursday, Hot Potatoes. Thank you to all that are supporting this day.

On Tuesday next week we have our first school performance for the term. We have a BMX performance for 45 minutes for the school and preschool. There is no charge.

Sports Day is rapidly approaching and we are busily preparing. Just so there is no confusion about the day, we will begin at 8:50am as per normal, but at the Wangary oval. All buses will pickup and drop off students so at the end of the day if your child is not on the bus please let the class teacher know. There will be a sausage sizzle, sausage rolls, savouries and sweets available. Please bring cash on the day and please note there is no pre-orders. Hope to see you all there.

Tomorrow all year 3, 5 and 7 students will be doing a practice NAPLAN test. The scores will count for little and this is an opportunity for students to get used to using the NAPLAN platform. Please contact the school if you have any questions.

Huge thank you to all families who have been selling chocolates and raffle tickets. The fundraising at this school is amazing. Goes to show how strong and supportive this community really is. Would you live anywhere else! BAMB is coming up and we will be selling raffle tickets and chocolates. As well as that, we will be offering people the opportunity to 'Buy a Brick' for our 100 year celebration. These bricks can have simple hand written messages or names or you can put your own unique design on a brick. Prices vary slightly, but we are hoping to engage with ex students from far and wide who may also be interested in being involved in the 100 year celebration. Keep your eyes and ears open for further information.

Here's to finishing off the term strongly.

Regards,
Wade Branford
