Dear Parents and Caregivers,

Hope you all had a great Easter. End of the term already! Where did it go. You have had a very busy term and we thank you for your support.

What can I say about Sports Day? What an awesome day! It makes me very proud to watch the children work so well together and try their best. Well done to all the students, they were all amazing. The team captains lead their teams well and were great leaders. Congratulations to Tiger Sharks who won by 8 points with 1227. Fire fish were second with 1219 and Blue Rays third with 1190. A very close finish. Well done to the Governing Council for running the canteen and thank you to families who donated food.

Last week we saw a BMX display which the children thoroughly enjoyed. It was fun and interactive and he worked hard through the whole performance.

It was unfortunate that we had to cancel Minya Custodians today due to the poor state of the road. This is what we are fighting for. We are hoping to attend Coles Point next term as the road is set to be resurfaced. We have had 2 amazing trips this term. Please get a copy of the Port Lincoln Times on Thursday as we should have a big article in it around our work at Greenly.

Thank you to everyone who supported our raffle and chocolate sales. Please see next page for results. We only have around 20 boxes left so if you need another please let us know.

Reminder that school fees are due, please pay at the school. New uniforms are also available.

For our 100 year anniversary we are selling commemorative pavers. We are looking for past and current students (and families) to purchase pavers for the celebration day. The paver can have handwriting or a drawn picture with handwritten message. We are trying to spread the word through social media and the newsletter. If you know people that would be interested in purchasing a paver to be part of the milestone we encourage you to get them to contact us or similarly we can provide you with a form (hard copy or email). We are running the offer until the end of May. Contact me if you have any questions.

Students are allowed to heat food at school within reason. Please no pre-packaged goods. Leftovers is generally what we allow.

A fantastic term with lots of great learning and events. This year has started off really positively and I'm sure the rest of the year will be great.

Thanks for your support.

Regards,  
Wade Branford

## Pastoral Care Corner

Such a great way to finish term 1 - another well supported Foody Fundraiser assisted by Zayne, Zoe and Sienna. For our lunchtime activity last week students helped make Easter chocolates for everyone to take home, if you missed out on seeing them they probably didn't quite make it all the way. Sports day was so much fun, it was so good to see students encouraging and cheering each other to the finish line. Thanks to all the parents who helped out with the breakfast program this term, enjoy the holidays, I look forward to seeing you all in term 2. Tracey Miller.

## Lake Wangary School Fundraiser

LWS has positioned bottle and can recycling trailers in Coffin Bay (behind the hall), at Lake Wangary School (visible from Farm Beach Rd) and at Farm Beach Caravan Park.

We thank all those who donate bottles and cans. The money goes towards our learning programs and facilities. Please contact the school if you have high levels of bottles and cans you need removed and we may be able to help. Thank you.

## SCHOOL UNIFORM

The uniform cupboard is fully stocked!
