WEST COAST SCHOOLS SURF COMPETITION

On Monday in Week 2, 8 students from the Upper Primary Class took part in the West Coast Schools Surf Competition. Students travelled up to Elliston and then out to Walker's Rocks to surf in their two heats.

Kids were scored by judges and prizes were awarded to the highest scoring surfers in each category.

Our students were ripping! Ruby and Lilly styled their way to the beach on perfect lefts, Arj tore his way to third place, Kyuss took some critical drops in the heaving shore break, Blayne scored the only stand up barrel for the day, Marli finished a ride with a 'Namaste' pose, Felix and Kody caught more waves than any other competitors. Congratulations to all our competitors and a big thank you to parents for supporting the event!

"The surf comp was in Elliston, Walker's Rocks. There was a great atmosphere and it was an awesome opportunity for all of us to get involved and meet new people. Everyone had a ball and caught some waves. We would definitely do it again." Lilly and Marli.

"It was a nice little size and we caught a few waves. It was good to chill out with some of our old mates and to vibe with other surfers around the West Coast. The Wangarians put on a good competition; it was amazing to see how many groms came along to do the surf comp. It was also cool to see all the older kids surf". Blayne, Kody and Felix.

Dear Parents and Caregivers,

Hope you are all travelling well and are adjusting to the cooler climate. Term 2 is always extremely busy and after a quiet 2 weeks its all go, go, go! Lots happening this week and every other week, we will endeavour to be punctual with information going home, but we need your support by asking and checking with your children if there are notes. Children can be very forgetful with notes, so please check bags and diaries. Thanks.

This week we have had NAPLAN testing. Children have been sitting tests on Language Conventions (punctuation, grammar and spelling), writing, reading and Numeracy tomorrow. Well done to all the children. I have seen many students trying their best . The information we get from the tests helps us identify areas of development and strengths children have. It is useful for our planning and programming and we thank you for your support with the testing. Students that are away on test days will have to make up the test later in the week. Results should be in around August.

We had our first hockey session this term thanks to the support of the Port Lincoln Hockey Association and Stephanie Whitaker. We will be having 2 more Friday sessions to finish off the program. This was part of our Sporting Schools grant. This term the Middle Primary will access the funding and participate in 4 gymnastics sessions in Port Lincoln during June. Should be lots of fun.

On Monday we have a member of the Bright Paths team working with teachers to moderate their persuasive samples. We are looking forward to working with Sarah Roundtree to help our knowledge and differentiating for students learning.

On Wednesday at around 10:30am we have our National Simultaneous Story. We have done this for many years and we will do this again and do some follow up activities around the book "Give Me Some Space" by Phillip Bunting.

The High School will be visiting on Wednesday from 11:10 -12 to talk to students about High School. We appreciate the excellent transition processes the High School do.

In week 5 is our first Minya Custodians on Wednesday. Apologies for mistake in cover note. Preschool Will NOT be attending.

Week 6 is Reconciliation Week. We have changed our cook out date to Monday due to us wanting to eat fresh fish as the Naou people did. 31st of May will be cook out day. The preschool will have their cookout on Thursday 3rd June.

Busy times ahead. But great times! Here's to an awesome term.

Regards,

Wade Branford

TERM 2 PLANNER

Attached in this newsletter is the Term Planner. Please note the planner may change, the school will inform you of any changes that may arise.

It is really important that all families have the Skoolbag and Seesaw apps as all notes and information that is sent home is also published on these apps. Notes are sometimes forgotten about or lost between school and home. Please contact the front office if you do not have these apps and require assistance.

Thank you

Parenting and Family Support Program's Living with Young People

The teenage years bring a new stage in your child's development and many changes for the whole family....

Living with Young People is a FREE workshop that helps you as parents and carers build an understanding of your teenager and their healthy development.

Our workshops are full of helpful information with a choice of simple, practical strategies that each family can adapt for their own parenting situations.

Topics to support your parenting include:

- About young people
- Adolescent development
- What parents can do
- What about conflict?
- A positive approach to guiding behaviour

Our workshops are based on the latest parenting research and use information from **Parenting SA**
