Term 3 Week 1

GREENLY BEACH TREE PLANTING DAY

Another successful Greenly Tree Planting Day with beautiful weather and 1000 plants in the ground by 2pm. The Lake Wangary School Governing Council BBQ was popular and kept the tree planters fed.

The nature art project for the day saw some very colourful birds flying at the end of the day. We are thankful for the support to run the day from the following; The Greenly Carriage, The Cummins Op Shop, Peter Treloar Member for Flinders, Open Eyre Events and Sunset Charters .

We also thank the Eyre Peninsula Landscape Board for use of equipment and staff expertise. Thank you to the school community volunteers who arrived early to get the marquee up then stayed until the end of the day to bring it down.

Dear Parents and Caregivers,

Hope you are all well and handling the new restrictions. It has not been the start to the term we were looking for, but we are a resilient and committed community and we will push past this and move towards a swift return. Thanks for your support.

As you know, schools are locked down and we reopen on Wednesday the 28th of July. All students have been given online learning and folders full of learning. Please endeavour to support your child(ren) to complete the tasks. All staff will communicate with families daily through Seesaw. Please ensure you can access this and call the school if you need support. I have been impressed with our staff who are creating more lessons using more tools to include explanations, pictorial examples and extra support for learning. Please take full advantage of this program as online learning will become more frequent in schools in the future. All information on how to access the 'class' section of the app was sent home last term with reports and again yesterday. Please use these sheets to help you set up and keep communication high between homes and school.

We are hopeful that our planned trips in week 3 will still go ahead.

If you need further information on restrictions or rules please see SA Health. If you come onto school grounds please use QR codes and we will minimise visitors in the office and across the school.

If you are an essential worker you are allowed to send your child to school or preschool and buses will be running as per normal.

NOTE: Monday is a student free day and has been planned for months and can't be cancelled. Please remember to keep your children home on Monday thanks.

The Governing Council meeting is cancelled for next week and I will talk to the team about rescheduling the date.

A reminder that we have lots of tickets left for the \$5 dollar chocolate raffle and only a few left for the \$2 chocolate raffle.

Our Pavers fundraiser has been well received with 200 pavers in total which is a great number. The order is going out this week so last chance to get in this week by Friday.

I am very sad to announce that Mel Siegert will be finishing up with us at the end of week 3. Mel has been an integral part of our team for several years. Her commitment and dedication to student learning and the wider school community has been commendable and highly valued. Mel is beginning a new journey in Allied Health, an area she is currently studying in. Congratulations on your new position and we wish you the very best in your future career. Allied Health are very fortunate, take care Mel and don't be a stranger!

Hopefully the next newsletter is more about school and learning.

Stay Safe,

Wade Branford.

BOOK WEEK

Book Week 2021 commences in Week 5, this will also include an exciting Book Fair for our families. Each year since 1945 the CBCA has brought children and books together across Australia through CBCA Book Week. During this time schools and public libraries spend one glorious week celebrating books and Australian children's authors and illustrators. Classroom teachers, teacher librarians and public librarians create colourful displays, develop activities, run competitions and tell stories relating to a theme to highlight the importance of reading.
