

Term 3 Week 5

Macro-Invertebrates

Last Wednesday, Mrs Clarke's Lower Primary class had a fantastic day at the Nyroca Scout Camp as part of our Minya Custodians.

One of the focuses being on Macro-Invertebrates and their habitats. The students enjoyed collecting critters with the nets and then gently placing them in ice trays. Under microscopes the students investigated the Macro-Invertebrates characteristics and sizes. Our whole school key inquiry question is

“Is Woolshed Creek (Nyroca) a healthy habitat?”

Dear Parents and Caregivers,

Wow! Week 5 already and things are not slowing down. I hope you are all well and enjoying the change in weather. We have had a very busy couple of weeks and we have several events coming up.

Last week we had our first Minya Custodians trip for Term 3 to Nyroca. It was FANTASTIC! The students were thoroughly engaged and enjoying the investigation. Our inquiry question is, "Is Woolshed Creek (Nyroca Creek) a healthy habitat?" Staff have worked closely with Chris Deslandes who is the author of 'Two-Way Science', he is making sure our learning is directly linked to the Australian Curriculum and that we have clear learning intentions and goals. We have the best resource, the outdoors, but with Chris's help we have really strengthened the learning here. Thanks Chris. We head off to Nyroca again next week on Wednesday. The Preschool will also be coming on this day. Parents may come, if they do go inside they will need to wear a mask. You will also be required to sign in with the QR code.

The Foody Fundraiser was a huge success last week. Big thank you to Tracey and the SRCs for organising it was a successful day.

It is SSO week this week. I would like to pay tribute to all our amazing SSOs and the fantastic work they do across the school and the community. They are the backbone of our school. Thank you all for your support, professionalism and dedication to our school community.

Our NAPLAN results are just in. We are awaiting a more detailed format of answers, however initial results look good and we are very close to hitting the benchmarks we set in our School Improvement plan. Results will be sent out soon.

The Splash Theatre Performance has been rescheduled for September the 6th at 9:45 at Kirton Point Primary School. A new note will be sent out soon.

Next week the Upper Primary class will be heading to Cummins for the annual netball and football carnival. Good luck guys and we hope you have a good day.

The Preschool had the police visit today. It was great watching them show children how to cross roads and develop a culture of police are here to help. Thanks Sarah and Skye for organising. Next week they have the Ambulance coming. Can't wait.

Next week is Book Week, we have a huge display of books in the office which children can order and purchase next week. We also have our annual Book Week parade on Thursday at 9:20. This is always fun and shows off some of our parents talents with costume/fashion designing. Students can dress up for this day. Again, I can't wait. Still lucky square tickets for sale. Need to sell some \$5 squares!

Regards,

Wade Branford

CBCA BOOK WEEK

OLD WORLDS, NEW WORLDS,
OTHER WORLDS

21-27 AUGUST 2021

Book Week commences next Monday and what an exciting week it will be.

The theme is Old Worlds , New Worlds and we have some nice new books in the Library for students to read.

Thursday is our DRESS UP PARADE and we are looking for all students to get involved. With the theme being Old Worlds, New Worlds it covers many genres making dressing up a lot easier for all ages.

We look forward to seeing all the students embrace Book Week and peruse the books in our **BOOK FAIR**.
