F-4 Mulan Excursion

Dear Parents and Caregivers,

Hope you are all well and keeping up with the fast pace of term 4. Please ensure you are reading newsletters, checking Seesaw and texts messages for all up and coming events.

The Junior Primary class have been going to gymnastics lessons every Monday this term. The children are really enjoying the activities and developing their hand eye co-ordination. There is no gymnastics next week due to swimming lessons. We have our final session on Monday of week 7. Go and have a look if you can, it's a great program.

Next week is set to be a big one. The Upper Primary class are heading to Scaale Bay for their school camp. Big thanks to Kane Slater for driving the bus. The Middle and Lower Primary class will be doing swimming lessons for the whole week and the Preschool have an excursion on too. As I said busy week. Please ensure all consent forms are returned asap.

Today we had our Minya Custodians show case day. We have many visitors from the parent body, LEP Council, Regional Office (Dept. for Ed.) and other supporters of the program. It was a very proud day for the school as students presented their learnings to the crowd and what stood out most was that the children owned the learning. They were proud of what they had learnt and are eager to share. The program could not have gotten a better result. Authentic outdoor learning that will be with children for life. I would like to thank all families for their support of this program and we look forward to learning more about our local area. Well done to all staff for their commitment and efforts to run this high quality program.

Preschool students have begun transitioning into the school with great success. Families and I met earlier this week to talk about the move and it was a good session. Students have enjoyed moving into the school and experiencing school life. These transition days will increase in length as the term draws to a close.

In week 7 the year 6 and 7 students will begin their transition to High School. Year 6s will be attending on Tuesday and Wednesday and the year 7s will be attending on Thursday and Friday. All information has been sent home. If you require any further information please contact the school.

There is a 'Life Matters' performance on Monday at 9:30am presented by the Schools Ministry Group. The performance goes for roughly one hour and was well received last year. If you have any questions please contact the school. Tracey or I will be happy to speak with you.

Let's keep the momentum and finish strong!

Regards,

Wade Branford.

Tue 7/12 - Preschool Graduation
Thu 9/12 - Last Day of Term 3.10pm Dismissal

A big thankyou to Tracey, the SRC and their team of helpers for this years' Foody Fundraisers. Their hard work and fundraising plus providing delicious lunches for the school has enabled the Library to continue to purchase new books. We are able to fulfil the excellent book requests from students, continue high interest in our Library and provide another great space for our students to engage and learn in.

Thankyou very much.

SCHOOL UNIFORMS FOR 2022

Please contact either Dan or Hayleigh to order new school uniforms for next year.
