

Lake Wangary Preschool

Reduce

Reuse

Recycle

We care for our world by reusing, reducing and recycling at Preschool. Our new bins help us to sort our waste. We have learnt how to read symbols on packets and making good choices about what we can put in the compost/food scraps, paper, recycling and waste bins. We reuse materials at our making table. We collected all the scrap paper from the office and classes at school and made it into new paper that we can use. We have written a letter to the Lower Eyre District Council to see if we can get a yellow bin at our school so we can recycle our waste.

Learning Outcome 2: Children are connected with and contribute to their world.

Dear Parents and Caregivers,

Week 7 already and things are not slowing down! Hope you are well and staying safe. I think we are all keen for Summer to start hopefully on the weekend.

It has been a huge week not only at school but in SA. New Covid-19 guidelines have now been put in place and I hope you have all had a chance to read the information. All Department for Education employees must be double vaccinated for the start of school next year. This includes Governing Council members and volunteers. We must sight evidence for all those working on site (tradies included). For school such as events assemblies, sports day, concert and show case days people will not have to be doubled vaccinated to attend and we will not be seeking evidence from people. Masks are still mandatory. We don't make the rules, we are mandated to follow them.

Concert is rapidly approaching and students have been very busy setting up and rehearsing. Bit of a different theme this year but will be entertaining as always. Sausage sizzle will be at 5:30pm as people are arriving ready for a 6:00pm kick off.

Graduation for the Preschool is on Tuesday the 7th at 12.00pm and the 6 & 7 ceremony will be longer than normal due to 2 year levels graduating.

I would like to remind all bus students there is no eating or drinking on the bus. Any phones or devices brought to school MUST be brought to the office.

Students have been working on mosaics for stobie poles in Wangary and Coffin Bay. They look great and we can't wait for these to be put up. Huge thank you to Jayne Lane and her team for giving their time to help the school with this project.

The Preschool renovation is almost complete (finally) students will be able to access the back area next week however, we are waiting for the room to be painted.

The Preschool students have been continuing their transition to school. It has been great seeing the students join in class learning and they seem very settled. Well done Skye and Amber for a smooth process again.

The last Foody Fundraiser is tomorrow thanks again to Tracey and the SRC for organising the spring rolls and salad.

Oh one awesome piece of news. I was successful in gaining an \$18,000 grant for the Minya Custodians! The program now has a big future here at Lake Wangary and we look forward to the amazing learning we will do next year.

Regards,
Wade Branford

Pastoral Care with Tracey Miller

Our students enjoyed the Life Matters "Gift of Gratitude"

Christmas performance. I encourage you to speak with your children about who and what they are grateful for – it's very likely to be you!

Lunchtime activities and games are on weekly, I have loved watching the older students help our younger ones with their creations.

We have one last Foody Fundraiser this week, thanks to everyone who has supported this and also to the SRC who inspired the menus.

2021 Photobook Orders

Order forms have been sent home and are available on Seesaw and Skoolbag.

Please return orders and money by Friday 3rd December.

Wishing Mr Rowe a very happy 40th birthday for Monday 29th November!

A graphic for a Christmas party. It features a border of green Christmas trees with gold stars. In the center is a logo of a mountain range inside an oval. Below the logo is the text "MARBLE RANGE COMMUNITY & SPORTS CENTRE INC." followed by "CHRISTMAS PARTY SATURDAY 18th DECEMBER WANGARY HALL FROM 5.00PM". Below that are the activities "JUMPING CASTLE & FACE PAINTING" and "MEGA RAFFLE DRAWS". At the bottom, it says "Please bring a gift to the value of \$20.00 with your child's name and age on it" and "Come and see the amazing decorations Everyone Welcome".
