Week 8

Dear Parents and Caregivers,

Hope you are all well and enjoying the beautiful day. Thank you so much to everyone who came for the acquaintance evening last night. We had a fair turn out with families visiting classrooms and talking to teachers. Everyone met our new Indonesian/Music/Technology teacher Brett Crowder. We are pleased to have Brett on board, he has a wealth of experience and has quickly settled into Wangary. We wish him all the best.

It was great to see so many families keen to be on the Governing Council. 15 members this year, with some families sharing the role on the council, but we are excited to see a couple more Dads put their hands up. Good on you fellas and thanks to all other people who have volunteered their time.

Normally we would have had a meeting by now, but due to the way we opened this year we are slightly behind. However, to the Governing Council's credit, shortly after the elections we got straight into organising Sports Day. This year families will bring their own lunch and we will be selling cakes (homemade/donated), sausage rolls, fruit boxes, tea and coffee. Please complete the form attached if you intend of donating something for the canteen.

Excursions will begin next week with the Upper Primary class going to gymnastics on Wednesday. I will be driving the bus as we are still looking for a bus driver. Please let us know if you know of someone.

We have 2 new students in the Preschool. Jazmiah and Jasper Baird have begun their learning journey at Lake Wangary. We wish them all the best and hope they enjoy their time at Preschool.

Students have been busy practicing for Sports Day and are showing great skills and team work. It is awesome having our new high jump mat. If you are not sure what team our child is in, please check last weeks newsletter.

We are emailing all newsletters this year. If you want a paper copy please let the front office staff know and we will send one home.

Last week we farewelled Tracey Miller our Pastoral Care worker. Tracey was a passionate member of our team who showed great flexibility and commitment to students learning and well being. She was respected and liked by all and we will miss her greatly. We wish her all the best for the future and hope she visits for time to time.

Staff, student, parent interviews will be occurring in a few weeks.

Last night we moderated our first narrative writing samples from students for Bright Paths (literacy). Students are continuing to make improvements with their writing ability which is great.

Busy times ahead, please keep informed through emails, texts, Seesaw and notes.

Regards,

Wade Branford
