Term 2 Week 5

LOWER PRIMARY CLASS

In Maths this term we have been focussing on addition and the strategies needed to add two numbers together to make a higher number. Some of the strategies we have used include counting on (placing the higher number first and then counting on the lowest), using a number line, using manipulatives such as counters or small toys and drawing pictures if we need. We have been playing lots of games with hands on card, counters, cups and dice to work on our addition skills.

Dear Parents and Caregivers,

One word describes the last few days 'BBBBRRRRRR!' What a cold snap to bring Winter on. Hope you are all keeping warm and feeling good.

We are approaching the half way mark of the term and it doesn't seem to be slowing down. This week we have Reconciliation Week activities as well as a Minya Custodians trip today. Today we are walking to Lake Wangary and look at some characteristics of Lakes and what makes them healthy. Next week we will look at Big Swamp and the characteristics that make it healthy. Students and staff are looking forward to the investigation and research. We are covering some great parts of the HASS and Science curriculum here.

For the beginning of Reconciliation Week we had Sorry Day activities in class on Friday. Monday we had Nauo Elder Jody Miller do 'Welcome to Country' to our school and speak about his family history on the Eyre Peninsula. Students were very respectful and asked many questions about life on the Eyre Peninsula and family groups. It was a great morning and we thank Jody for his work. Jody will be with us again on Thursday for our cook out. He will be sharing some local stories he has permission to say and talk around a Yarning Circle. Should be another great day eating damper, fish (supplied by Hugh Bailey, thanks so much) and oysters (Bradfords, thanks guys). We are hoping the weather stays on our side. On Friday we are doing some Aboriginal based art and games.

On Thursday we are presenting our SRC medals for all those chosen for 2022. Congratulations to Arj Slater, Sienna Drury, Darcy Branford, Summer Brown, Indi Bradford, Addison Kemp, Dustin French, Erica Turner, Taylor Montgomerie, Mia Clarke, Laiken Clarke, Malia Leslie, Billie Carr and Cuinas Fealy. Well done everyone for being voted in, we will begin meetings next week.

I would like to remind families that we are having a student free day on the 10th of June (Friday before the long weekend).

School fees are also due, please contact Hayleigh.

Beanies are available for sale, we have plenty in stock \$22 each.

The Greenly Tree Planting Day is also happening on the Sunday the 19th of June.

Week 7 and 8 are filled with excursions, so be ready to receive several notes that need to be returned asap.

The Preschool is currently undergoing some transformations with new red dirt on the ground, a new wiltja and a bush kitchen built by Richard Sickert. Thank you so much for these new structures. The children love them.

Busy times ahead everyone and so much quality learning being done. Thanks for your support everyone.

Regards,

Wade Branford

WINTER LURGIES

We are beginning to see some familiar lurgies of the winter season at school. We are aware that not all coughs and colds are Covid-19 related, but we do ask that you continue to keep your child at home if they are unwell to keep illness from spreading. Please inform the school of any student absence.
Thank you.

Greenly Beach Planting Day 2022

Sunday 19th June 10.00 am-3.00 pm

This will be the 8th year that Lake Wangary School and Lower Eyre Coastcare volunteers have been working together growing seedlings and planting at Greenly Beach. There are 1500 plants this year sown by the LWS students and we need your help to get them planted and have a great day out as part of the school community.

LWS Governing Council will be holding a BBQ lunch fundraiser. There will be another nature art project for everyone on the beach.

For more information call Kerryn
Coastcare 0498 387 961.
