Term 3 Week 1

POP

Crackle

During Term 2 Mrs Morgan's Class designed their own healthy breakfast cereals. We learned how to read the nutrition and ingredient panels on boxes. We tasted each healthy ingredient and combined them to make our cereal. We learned how to make rectangular prisms, named the cereal and designed the box. Some of us made an advertisement using iMovie on the iPad. We used persuasive devices, like slogans, colour, characters and language. We took our cereals home and shared them with our families. Everyone thought they were great.

Welcome
Back to
School!

Dear Parents and Caregivers,

Hope you are all managing to stay warm in this weather, hopefully the last blast of winter. We are back in full swing again with many events and learning coming up.

I would like to thank the school community for supporting our 2 student free days we had last week. These days were spent familiarising ourselves with the new maths curriculum and working with the Literacy Guarantee Unit. These are our last student free days for the year. We have 1 school closure left for the year which we will inform families when this will be.

Brooke Slater is on leave for the next 4 weeks and we would like to welcome Rachel Plakakis to the site in her absence. Rachel has worked across the school and has quickly settled into the class. We wish you all the best whilst here Rachel.

The Governing Council met last night and it was great to share with them the new upgrades we have organised. These include; shades for new seats by the basketball court, painting and tiling of toilets, painting the Upper Primary room, blinds for computer room and some minor work, new pinboards and on Thursday I am meeting with the project officer to look at redeveloping the area in front of Mr Rowe's class. Lot's on the go. The new shed is currently going up and we are hoping to paint the Junior Primary eating area and when grass becomes available, move the goal posts and put a sloping grass face along the wall. Thanks for all the suggestions from the school community.

IMPORTANT- Seesaw has upgraded, all families will need to update there Seesaw App. Please contact school if you require assistance.

This week the Mr Rowe's and Mrs Morgan's class are beginning tennis lessons with Paul Polkinghorne. These will occur Wednesdays for the next 4 weeks. Big thank you to Paul coming out and running these sessions.

The Eyre Peninsula Field Days are on next week and we have been fortunate to get a group of visitors performing there to showcase their organisation with us. Black Snake Productions will be here on Monday to run hour long workshops for each class. Big thank you to Hayleigh Tassone for organising this. In today's climate, performances are becoming harder to find.

Next week Mr Rowe's class will be heading to Cummins for a girls football and boys netball carnival. Please return notes asap. Lastly I hope everyone saw the school on the ABC in the holidays. Apologies for not letting everyone know, I wasn't told when. You can still view and read lots more on the ABC Facebook page. It's really cool. Thank you Jodie Hamilton for promoting what we do here. The Education Minister also sent us a letter of congratulations which shows what we are doing is important.

Regards,

Wade Branford

TERM 3 REMINDERS

ABSENCES

Please remember to contact the school if your child is absent. You can text the school's mobile number, message your child's teacher on Seesaw or ring the front office.

UNIFORMS

Uniform items can be purchased from the front office. Second hand items too. Please name all uniform items - there is a mountain of un-named lost property, plus water bottles and food containers.

CONTACT DETAILS

Please contact the school if your personal details change. It is important we have the correct contact numbers, postal and residential addresses.

NOTES

Please remember to check your child's bag/communication book/diary/blue reader bag, each night for important notes home. While we have our Facebook page, SMS messages, and Seesaw, notes being sent home are still a huge part of our communication. We endeavour to make sure the notes are placed safely in bags at the end of the day and students and parents must also take responsibility to unpack them at home.

MOBILE PHONES

Phones are not encouraged to be brought to school. They are to be handed into the front office on arrival and not kept in bags.

WATER BOTTLES

Please ensure that your child/ren have their water bottles filled up each day.

STUDENT & VISITOR SIGN IN/OUT BOOK

Please note all students arriving late or leaving early must come through the front office and be signed in or out.

THANK YOU

COME TO OUR BOOK FAIR!

BOOK FAIR 2022

Our school is hosting a Scholastic Book Fair from Tuesday 23rd to Thursday 25th of August.

Our Book Fair Parade will be on the Thursday 25th August, with students encouraged to dress up as their favourite book character or following this year's Book Week theme "Dreaming with your eyes open!"

You and your child will have the opportunity to explore a huge range of affordable books featuring characters and subjects kids love and want to read about. From newly released books and bestsellers to award-winning titles and perennial favourites.

This is also a great way for you to learn about, and discuss your child's interests and every book sold benefits our school, adding resources to our library and classrooms.

Forms will be sent out the week before with a sneak peek of some of the books on offer.

Scholastic Book Fairs help us show students the wonder of reading. It is a fun week and we encourage everyone to participate and attend.
