

### *Upper Primary Class*

On Wednesday of Week 3 we had our first tennis clinic with Paul Polkinghorn. Students learnt the forehand grip and got plenty of great tips on following through on their shots and their foot placement. They had a blast and we look forward to Paul's visits over the next couple weeks.

Dear Parents and Caregivers,

G'day All, hope you are well and staying warm and dry. Cold and flu season is in full swing and we are seeing many children staying home as a result. It is great to see the school community working together to restrict the spread of colds, flu and Covid. If your child is at home for several days please visit 'Our Learning SA' website as there are many lessons and activities for students to do whilst they are ill so they are still learning and keeping busy.

Lake Wangary School is currently transitioning our uniforms to an online platform. Our school uniforms, including next year's Year 6 jumpers will now be purchased online through Ace in Port Lincoln. As of term 4 families can order uniforms through this platform. Stay tuned for further details and instructions on how to complete these transactions.

On Friday the Year 5 and 6 students were heading to Cummins for a netball and football carnival. Due to bad weather they have postponed this until Monday.

In 2 weeks we have Book Week. This is always a huge event at school. Our books arrived today and Sam is busily organising a big display of books for purchasing. On Thursday we are having our parade where students dress up as their favourite book character. We again have some great prizes for students. We will have the parade on Thursday 25th at 9.20am, children are welcome to wear their costumes to school. The Assembly will start at 2:30pm. Hope to see you all there.

Year 1 students this week are doing the National Phonics Screening test. This test provides us with data around students phonics knowledge (letter sound). Amber is testing all students.

On Monday we had Black Snake Productions visit the school. Mike showcased his animals, reptiles and birds explaining many facts to children and giving them the opportunity to hold the creatures and ask questions. Mike was passionate about the wildlife and his presentation really supported our Minya Custodians program. We hope to see Mike back and he has talked about coming over in the warmer months to look at our deadly snakes. We wish Mike all the best and thanks for the great display. You can see him at the Cleve Field Days.

Big thank you again to all the chocolates being sold. Only 2 boxes left!

We are looking for volunteers for the Breakfast Program on Tuesday Mornings. If you are available and can help please complete the form and return to school.

Term is getting busier and busier, let's keep working together to ensure the best for all students at Lake Wangary.

Regards,  
Wade Branford

## Breakfast Program - Term 3

10th August 2022

Dear Parents/Caregivers

Thank you to the many parents who have supported the running of the Breakfast Program over the years. We are now seeking helpers for Term 1. The Breakfast Program runs on Tuesday mornings and takes 1 hour from 8:10am to 9:10am. To run the program all that is required is cooking toast and putting assortment of spreads on, getting out juice for the students and cleaning up at the end.

If you are able to help please indicate below by writing your name in 2 boxes to enable options. If you can only do 1 that is still ok. Please return to school asap.

The Breakfast Program is highly valued by the students and we hope that you can support it to continue to run.

Regards  
Wade Branford
