Dear Parents and Caregivers,

Welcome back! I trust you all had a great break and enjoyed some of the awesome weather we had last weekend. We are straight back into learning and it is great to see the positivity around the school from students and staff.

I would like to welcome Christian Kotz who is taking over Luke's role this term. We wish Christian every success and hope he has a great time at Lake Wangary. Also starting this week is Siobhan Carr who is replacing Sam Pedler. We would all like to wish Siobhan all the best in her position as librarian and hope she enjoys her time here.

Term 2 always has lots happening. On Monday next week we have 8 students heading to Walkers Rock to take part in the School SAPSASA Surf competition. All the best to our students competing. Last year's event was great, there is a lot of support for students in the water.

On Tuesday the 9th, the Norwood Football club will be running a short 1 hour session for students in the afternoon. We appreciate them coming to site to meet and work with the students.

In week 3 we have several events happening and there will be students out of school attending these activities. On Monday the 15th all Aboriginal and SRC students will be attending the Nauo Native Title Ceremony at Coffin Bay Yacht Club. This is a hugely historical day and moment in time. We feel honoured to have been invited and have appreciated the support given to the school by Jodie Miller the Nauo elder. Students who are invited to attend need to return notes asap.

On the same date we have the Questacon Science people doing a presentation at our site. We have had Questacon here before and they always put on an amazing show. Please see the advertisement in newsletter regarding more displays at the YMCA on Saturday the 13th of May.

On Tuesday the 16th the Upper Primary class will be attending the SAPSASA Basketball carnival. We will be taking all students making 3 teams (1 year 5 boys, 1 year 6 boys and 1 girls team). Janice Freeman, Dan Hirschhausen and myself will be attending. Should be a great day as last year's was very successful.

In the next 2 weeks, students in year 4, 5 and 6 will be taking part in the wellbeing survey for the Department for Education. All student information is confidential and students will be supported through the process. All families have received information for this.

Term 2 is always busy. Please check Seesaw and newsletters to keep up to date with all events and school matters. Looking forward to a successful term full of achievements. Thank you all for your support of the school and preschool.

Regards,

Wade Branford
