Dear Parents and Caregivers,

Welcome back! I hope you all had a great break and enjoyed some nice weather. Looks like we are in for an early Spring.

Term 3 is always one of our busiest terms and we are already going full steam ahead with learning.

We would like to welcome Maddie Mills who is our new year 2-4 teacher for term 3 whilst Mrs Morgan is away enjoying some warmer temperatures. We wish Maddie all the best for the first 4 weeks of term and know she will enjoy her time here.

We would also like to welcome Shelly Mercer who is starting in the Preschool this term and working until the end of the year. We wish Shelly all the best in her new role.

On Tuesday this week we saw many new faces in our Preschool. We would like to welcome all our new Preschoolers into our site and wish them every success on their new journey. It was a very busy place on Tuesday, but everyone was happy and excited about being in Preschool. Well done to the Preschool team for making the transition processes so accommodating for our new children. They have settled in really well.

We have many events occurring this term. Next week on Tuesday we have Hugh Bailey coming to the school to talk to students about conservation and custodianship of our oceans. This leads into a visit from Dr Nina Wootton a marine researcher from Adelaide University who will talk to students about the 'Fab Five', an interactive lesson on Marine Protected Areas, Indigenous connection to Sea Country and protection of some of South Australia's most fabulous marine species. This will run in week 3 on Tuesday afternoon. Hugh's visit will help students prepare questions regarding over fishing, biomasses and Australia's efforts to protect our marine life. We are also planning to use these presentations to support students Information report Writing this term. Looking forward to these presentations and where we can take our learning further through Minya Custodians.

Book Week is in week 5. 'Read Grow Inspire' is this year's theme. Students will be able to dress as their favourite book character and parade on Thursday 24th. The assembly will also be on this day.

Science Week, Minya Custodians, Sports Carnivals, Upper Primary camp to Sceale Bay, Preschool disco and the STEM Aboriginal Conference are just a few events happening this year. Please look out for notes and keep checking Seesaw for information and student learning.

Looking forward to a productive, challenging and successful term. Thanks for your support.

Regards,

Wade Branford

## Breakfast Program - Term 3

27/07/2023

Dear Parents/Caregivers

Thank you to the many parents who have supported the running of the Breakfast Program over the years. We are now seeking helpers for Term 3. The Breakfast Program runs on Tuesday mornings and takes 1 hour from 8:10am to 9:10am. To run the program all that is required is cooking toast and putting assortment of spreads on, getting out juice for the students and cleaning up at the end.

If you are able to help please indicate below by writing your name in 2 boxes to enable options. If you can only do 1 that is still ok. Please return to school asap.

The Breakfast Program is highly valued by the students and we hope that you can support it to continue to run.

Regards

Wade Branford
