Principal's Message

Dear Parents and Caregivers,

World Teacher's day last Friday saw our teachers being spoilt by our SSO's who organised a special luncheon and a beautiful bunch of flowers with a card signed by the students for each of us. Thank you to our thoughtful SSO's for organising this to show appreciation of our wonderful hardworking teachers.

I always love the quotes **"Teaching is the one profession that creates all other professions"** and **"Teachers have three loves: love of learning, love of learners and the love of bringing the first two loves together"**.

In my short time at this school I can vouch for all our teachers who epitomise these quotes. They are amazing people who go above and beyond to provide an excellent learning program for your children. We thank them wholeheartedly.

It is timely for me to remind parents and the school community that the Department has very clear protocols/policies around students travelling in other people's cars for any thing to do with school. There is an element of risk and a risk assessment is expected for these type of situations which **must always be endorsed by the Principal**. If there is an occasion where you are asking another person to take your children in their car (eg picking up from school or a broken down bus) the school must be notified first and foremost before embarking on the journey. I thank you for your cooperation on this matter.

Governing Council met last week and the agenda took some time to get through. As part of the 2024 budget discussion the possibility of being able to fund a 4th class in 2024 was discussed. This will be subject to finding a suitable applicant for the position. The position has been advertised and the process has begun.

Whilst on 2024 staffing Amber Clarke and Janice Freeman have both been offered another contract for 2024. It will be handy for Mr Beard to have several teachers on board who are very familiar with the school.

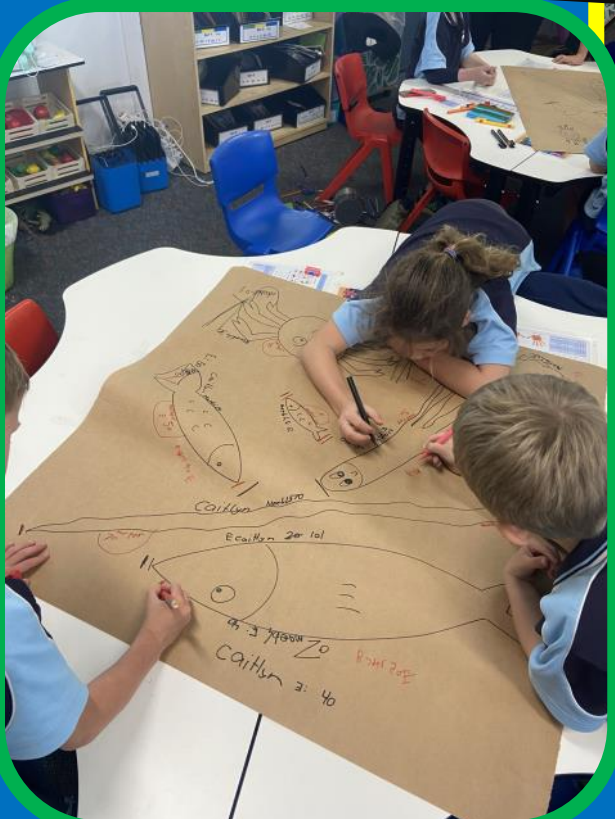

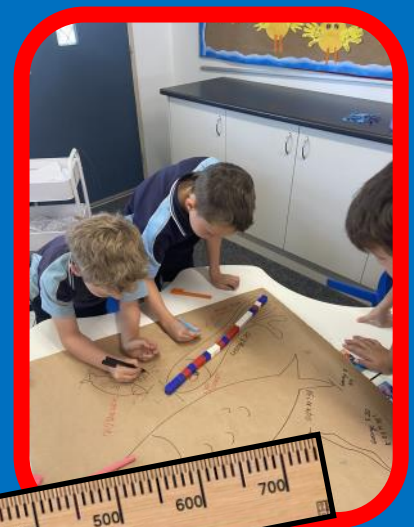

On the other hand it is with great sadness that I can inform the school community that Tess McKenzie is heading off to another site for 2024. Kirton Point Primary school is very lucky to have her in their school and we wish her the very best.

Until the next newsletter,

Robyn

JUNIOR PRIMARY CLASS

This term our Year 1 students have been looking at measurement. We have been using informal units to practise our skills such as estimation, using a baseline to start, having no gaps or overlaps and measuring in a straight line. We have been using lots of measurement language to expand our vocabulary in this area. Our class has measured ocean animals, items in our room and cities we have made.

SCHOOL UNIFORMS

Uniform items can be ordered online through ACE Uniforms. Pre-school t-shirts, wide brimmed hats and beanies are not online but can be purchased through the school.

Andrew is happy to answer any queries you may have.

SCHOOL PHOTO ORDERS

School photo orders that do not require printing are ready for collection from the front office. Please note payment is required on pickup. We accept cash, bank transfer and EFTPOS.

Dan Morgan will contact the parents with orders for photo printing when they arrive.

Thank you.

TERM 4 HAT POLICY

All students are required to have a wide brim blue hat with no cord for outside play and activities in Term 4.

The school has hats for sale for \$9.00 available from the front office.

WATER BOTTLES & DRINKS

Please ensure that your child has a full water bottle every day.

Please do not send cordial or fruit boxes.

LEGO DONATIONS

Anyone have any lego stashed away that they would like donate for the school for lunch time activities? Any donations would be much appreciated by the students.
