## **Principal's Message**

A huge thank you to the Governing Council members and other volunteers who organised the Tapas and Tunes evening at the Yacht Club recently. It was a fantastic afternoon and a very profitable fundraiser. The school appreciates your efforts. The Yacht club were very generous to let us use their facilities for the event.

We are very excited to see our brand new portable toilet building work is nearing completion. The building is going to arrive tomorrow. It will be very interesting to see a crane pick the building up off the truck and swing it over the basketball ring! I think some students will be eagerly watching with their teachers of an event they may not see too often. Thank you to the community for your patience with this long awaited addition to the school. It was a project that Wade had worked long and hard to get started and it is finally arriving.

The Year 6 students have been busy transitioning into their respective High Schools and by all accounts enjoying the experience.

I look forward to seeing you all at the events in the coming week.

# TERM 4 WEEK 7 - PRESCHOOL

At Preschool we support and encourage children to develop a sense of agency. Agency is described as: being able to make choices and decisions, to influence events and to have an impact on one's world (DEEWR, 2009, p.45). As young children grow they realise that they have the ability to contribute and make their own decisions and control their own lives. A sense of agency is a very important part of a strong sense of identity and has been identified as a foundation to learning and well-being. Educators have been encouraging and supporting children to follow through and extend their own interests and ideas.

## EYLF Learning Outcome - Identity:

Children develop knowledgeable, confident, self-identities and a positive sense of worth. Children will celebrate and share their contributions to others and express pleasure and pride in their own efforts and that of others.

Don't forget  
to return your  
library books!

A note to all students and parents  
that all library books are to be  
returned by Friday 8th December.

Thank you

# GOVERNING COUNCIL TAPAS & TUNES

Our Tapas & Tunes fundraiser was a fabulous afternoon again with around 120 tickets sold and around \$3,500 raised for our school. Big thanks to the Coffin Bay Yacht Club for hosting the event and especially to Amy who is the Hospitality Manager at the Yacht Club and also on our Governing Council. Thanks also to all our helpers, particularly Brooke Cox and Heather Hirschausen-Cox who did all the cooking on the day and Sarah, Kaye, Amber, Mandy, Shelly, Donella, Skye and Renae for helping with prep, in the kitchen and bar and taking care of our student wait staff. A massive shout out to Skye and Clint Bradford from Westra Fisheries who donated the oysters and to Bas Carr who shucked all the oysters. Big thanks also to Luke Rowe and Scotty Cane for donating their time and talent to provide cruisy tunes for the arvo. Lastly, thanks to everyone who attended and supported our event.
