Principal's Message

As term 1 draws to close, I would like to thank the students, staff, parents, caregivers and the wider school community for your support and welcoming me into your beautiful school. It has been an extremely busy and exciting term for staff and students and a very rich learning experience for myself.

Last Thursday we held our Sports Day at the Marble Range Community & Sports Centre. Students participated and gave 100% effort in all events. It was also extremely pleasing to see them encourage and support their team by helping in events and singing their war cries with vigour. At the end of the day, the winning team was Fire Fish with 810 points, Tiger Sharks in second place with 755 points and Blue Rays in third place with 715 points. This year two students also received our inaugural 'Effort in Athletics Medallion', which reflected the 'growth' students had recorded during PE in an unknown event and was kindly donated by the MRC&SC. The event that was chosen out of a hat was Shot Put. The two recipients were Dustin French who made 48% growth and Taylor Montgomerie who made 36% growth. A very big thank you must go out to Mr Glynn Owen for presenting the medallions and speaking on behalf of the MRC&SC. We must also acknowledge Luke Rowe for his work in organising the event, Cutter for helping mark the lines and mowing the oval, Erica and Tayla Fergusson for scoring, the volunteers of food preparation and working in the canteen and to all who helped set up and pack up at the end of the day. It was truly a very successful day.

It is with great sadness that we farewell Erica Fergusson from our staff at the end of the term. Thank you very much for the many years of service you have given to the school supporting our students and staff and the wider school community.

At the start of the year, I mentioned that I would be focusing on 'attendance' and having students at school as regularly as possible. As in all schools, there are illnesses that go through the schools quickly and there are days where students are unable to attend due to family reasons. Please ensure you are either contacting your child's classroom teacher or the school phone to notify us of any absences. I am not encouraging you to send children to school when they are ill, but please consider the impact regular days off can have on your child's learning, social well-being and the disruption to classroom teachers. We want students here as much as possible.

For those families who live in the Wangary community can you please ensure children are supervised by an adult if they are on site using the playground, basketball court or oval facilities for duty-of-care purposes. The MRC&SC committee have also encouraged us to promote the new playground facilities near the netball courts. Again, please ensure your children are supervised while using this facility also.

Monday 29th April, week 1 term 2 is a Student Free Day. Staff will be on site and we look forward to seeing students back ready to go on Tuesday 30th April. I hope everyone has a safe and relaxing two-week break.

Kind regards,

Clint Beard, Principal
