## Principal's Message

Dear Lake Wangary School Community,

As we conclude another vibrant and successful term at Lake Wangary School, I would like to take this opportunity to reflect on the achievements and experiences that have enriched our school community over the past months.

This term has been bustling with activities, from engaging classroom projects to exciting extracurricular events. Our students have shown remarkable dedication and enthusiasm, excelling in both academic and personal growth. We are proud of their achievements and the positive spirit they bring to our school.

In Week 9, we had the pleasure of hosting cartoonist Paul Rutter, who captivated our students with his creativity and artistic skills. Additionally, 12 of our students proudly represented Lake Wangary School at the SAPSASA athletics held at Ravensdale, demonstrating outstanding sportsmanship and effort.

Harmony Day on Friday of Week 9 was a wonderful celebration, with students participating in activities promoting the theme "Everyone Belongs." It was heartening to see our school community embrace diversity and inclusivity.

We were delighted to welcome author Angie Casanova on Friday, 4th April, whose visit inspired our students and ignited their passion for reading and writing. This visit coincided with Crazy Hair Day, which was a tremendous success, with students enthusiastically participating and supporting this fun event. It was wonderful to see the creativity and excitement that filled the school and only fitting that Angie's book is titled 'What is in Your Hair Today?'

Yesterday, Thursday 10th April, our school captains Austin Ellul, Erica Turner and I travelled to Adelaide for a special ceremony celebrating champion schools who have been involved in the 'Student Voice Postcards' initiative since its inception in 2019. This initiative was introduced by Commissioner for Children and Young People Helen Connolly as a way for South Australian children to know that someone is listening to them. Since 2019, over 82 000 postcards have been sent into Helen. Over 100 schools attended the event held at the Festival Centre where we were all recognised and presented with a beautiful trophy celebrating our commitment to the initiative and student voice in our school. Receiving this was a highlight, however another highlight for the school captains was having the opportunity to meet and have a photo with Eddie Betts, who was kind enough to do so.

A special thank you to all the parents who attended the student-parent-teacher interviews. Your involvement and support are invaluable in fostering a collaborative learning environment for our students' success. To those parents and caregivers that did not manage to make time to meet your child's classroom teacher please make the time to do so early in term 2. These interviews are a way of sharing your child's success and how you can support their learning journey at home.

## Principal's Message continued ...

To those families living in Wangary and surrounding areas that do use the school's playground, basketball court and oval facilities. During the school holidays on Monday 14th and Tuesday 15th of April there will be works taking place to remove asbestos from some of our buildings. This means that the entire school grounds will be an exclusion zone to all staff and members of the public. Please stay off school grounds for those two days.

As we approach the Easter break, I would like to extend my heartfelt thanks to our dedicated staff, supportive parents, and, most importantly, our wonderful students. Your continued support and commitment are what make Lake Wangary School a special place for learning and growth.

I wish you all a safe and enjoyable Easter break. May this time be filled with relaxation, joy, and cherished moments with family and friends. We look forward to welcoming everyone back for another exciting term ahead.

Warm regards,

Clint Beard  
Principal

## Breakfast Program - Term 2

10/04/2025

Dear Parents/Caregivers,

Thank you to the many parents who have supported the running of the Breakfast Program over the years. We are now seeking helpers for Term 2. The Breakfast Program runs on Tuesday mornings and takes 1 hour from 8:10am to 9:10am. To run the program all that is required is cooking and preparing toast, serving juice and cleaning up.

If you are able to help please indicate below and return to school or contact the front office. The Breakfast Program is highly valued by the students and we hope that you can support it to continue to run.

Kind regards,

Clint Beard

Principal
